Re: Officer Michael Bailey

Dear Superintendent Weis:

We are all saddened by the recent shooting death of Officer Michael Bailey. It is unfortunate that it takes an incident like this to remind us of the sacrifice officers make every day to keep us safe. We wanted to extend our condolences to Officer Bailey's family and to the entire Chicago Police Department.

For the last few days we have been discussing how we can help the effort to catch the killers. We obviously cannot go out to canvas neighborhoods or talk to potential witnesses, however we could help with money. We are excited to join the other organizations that have pledged money as a reward for information leading to the arrest and conviction of the people that are responsible for Officer Bailey's tragic death.

We reached out to several law firms who represent Chicago Police Officers and here are the following pledges:

| | |
|------------------------------|--------------------|
| Andrew M. Hale & Associates | \$5,000 |
| Dykema | \$5,000 |
| Daley Mohan Groble, P.C. | \$5,000 |
| James G. Sotos & Associates | \$2,500 |
| Rock Fusco LLC | \$2,500 |
| Leinenweber Baroni & Daffada | \$1,000 |
| Greene & Letts | \$1,000 |
| Borkan & Scahill, Ltd. | \$1,000 |
| Richard A. Devine | \$ TBD |
| Hartigan & O'Connor | \$ 250 |
| Battle Law Office | \$ 100 |
| Total | \$ 23,350 + |

Several other firms have been approached to join in this commitment, as soon as I hear from them I will supplement our total pledge for information leading to arrest and conviction.

We are confident that through the hard work of the Chicago Police Department the killers will be caught and brought to justice.

Please contact me if you have any questions.

Sincerely,

Avi T. Kamionski
